The screenshot displays a library interface with a search bar at the top right containing the text "Input Search Keywords". Below the search bar, there are navigation links for "Back" and "Total Result : 2,437". A section for "Books Selected" includes a "Export" button and a checkbox for "Select All (more than 1000 title)". A pagination bar shows "first previous 1 2 3 4 5 6 7 8 9 10 next last".

On the left side, there are three filter categories:

- Classificati**: A list of subjects with counts in parentheses, such as "Arts & recreation (33)", "Computer science, infor... (199)", "History & geography (43)", "Language (1)", "Literature (13)", "Philosophy and psychol... (26)", "Religion (5)", "Science (299)", "Social sciences (278)", and "Technology (1044)".
- Provider**: A list of publishers with counts, such as "American Library Associ... (157)", "American Management ... (768)", "ASM International (135)", "Association for Talent D... (430)", and "Institution of Engineeri... (104)".
- Year**: A list of years with counts, such as "2011 (13)", "2014 (23)", "2013 (69)", "2012", and "2011 (147)".

Below the filters, there are two search results:

- The first result is for the book "Good Coup" Gone Bad" : Thailand's political development since Thaksin's downfall, published by the Institute of Southeast Asian Studies in 2014. It features a cover image with a word cloud and buttons for "Read" and "Checkout".
- The second result is for "10 Steps to successful business writing" by Jack E. Appleman, published by ASTD Press in 2008. It features a cover image with the text "10 STEPS TO SUCCESSFUL [Business Writing]" and buttons for "Read" and "Checkout".

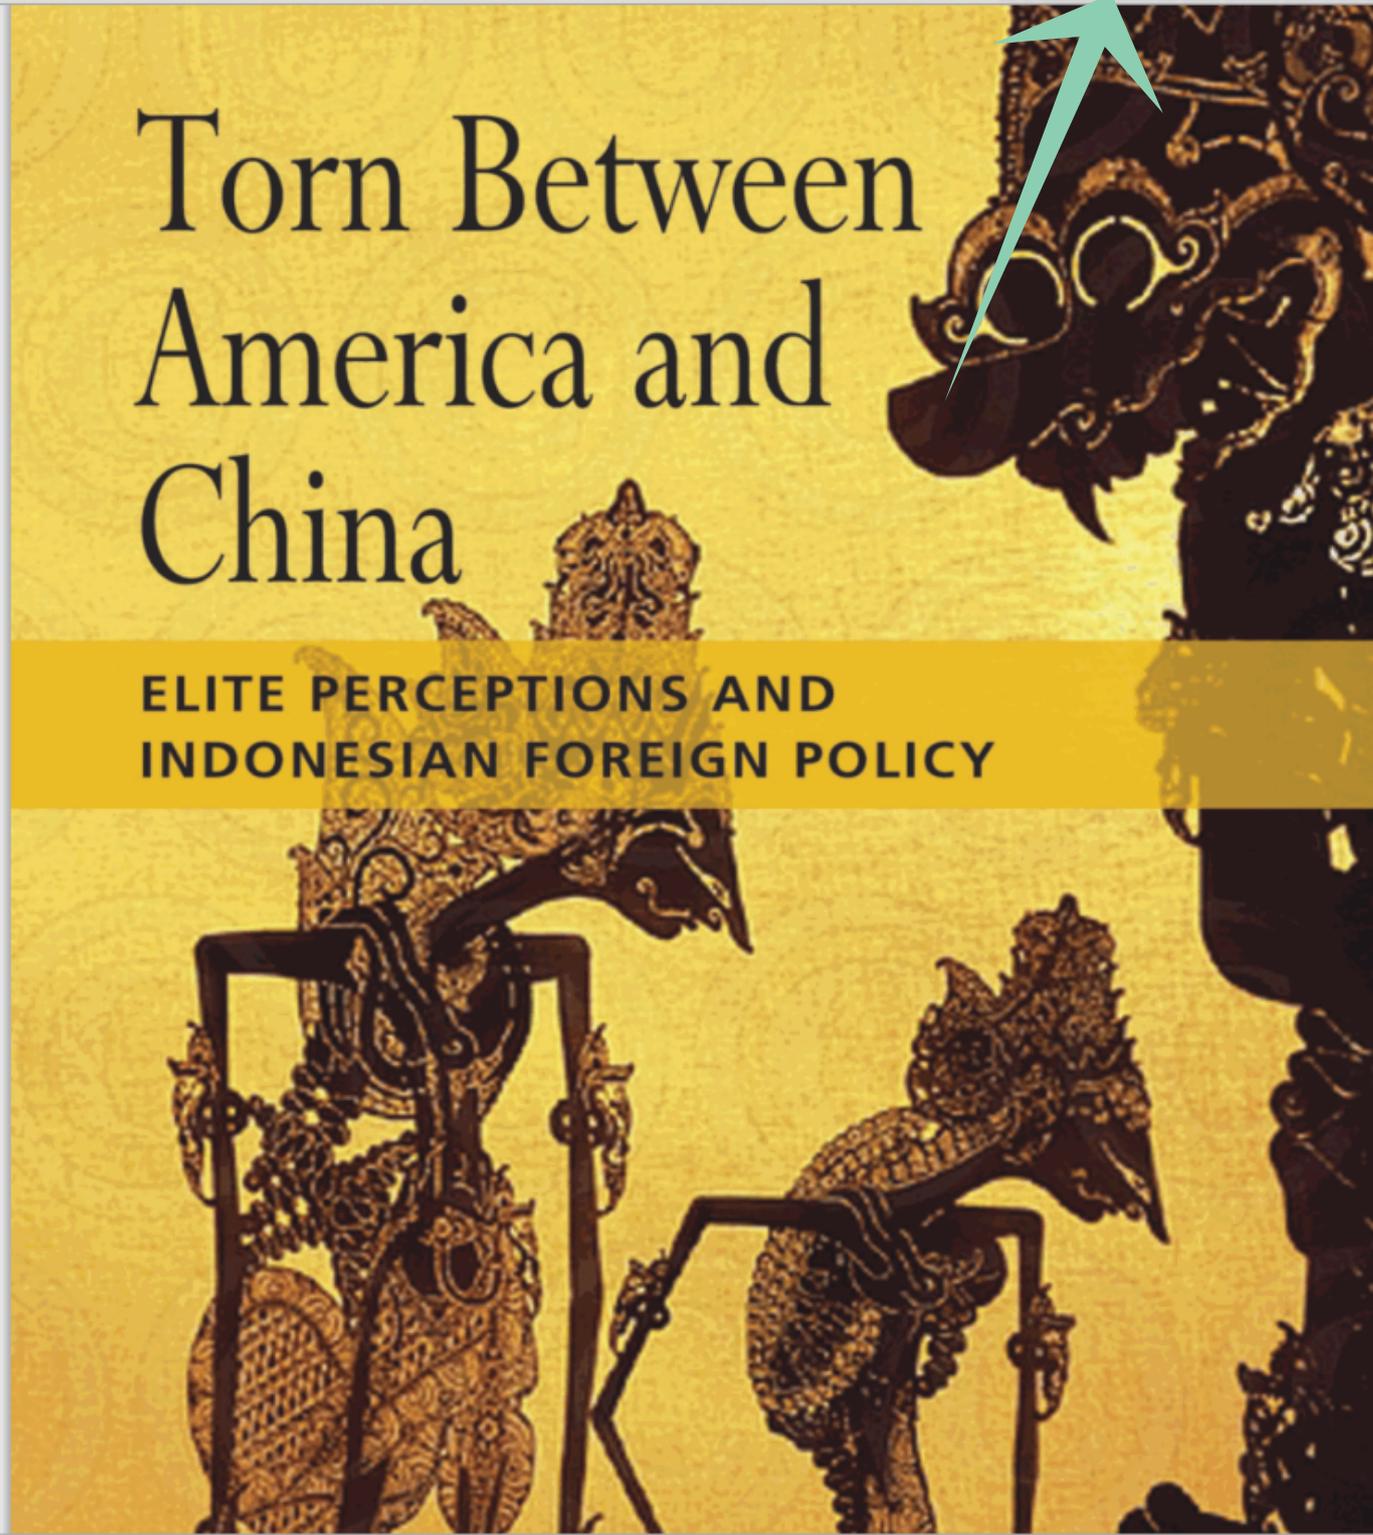

Green arrows point from the text above to the "Read" and "Checkout" buttons in the search results. A red circle highlights the filter categories on the left side of the screenshot.
